(Check all that apply)

84 Respondents, 133 Replies

---

Q9 of 9. Would you be willing to serve as a committee member of APSG in 2017/18? 84 Respondents, 84 Replies

**Comments:**

Some trends were apparent in the supplied comments.

1. Although the APSG videos and other information are readily available, a greater degree of prominence could usefully be given to them.
2. The meetings are held at a London venue. Many members live away from London and cannot conveniently attend meetings.
